

Aptus' Day Program is Closed

Sometimes people get sick from a cold or flu virus.

The coronavirus is similar to a cold or flu virus and it spreads very easily.

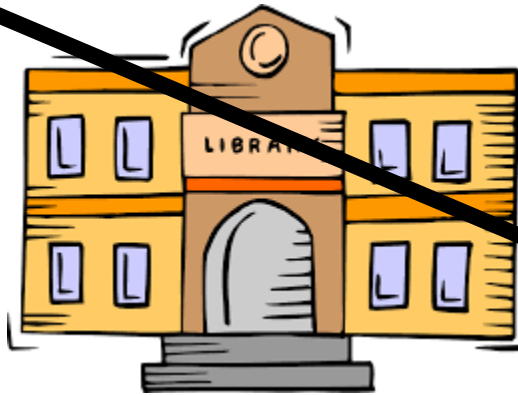

This means that a lot of places in the community are closed to avoid spread of the coronavirus.

Aptus' Day program is closed right now.

Places like restaurants, libraries, swimming pools, and other fun activities are also closed or cancelled.

This is because everyone is working hard to keep people safe and healthy.

Closing places like Aptus' day program will help keep me, my staff/family and other people in the community safe.

Aptus' day program closure is temporary.

This will be over soon and I will attend the day program again.

No one knows when I can return to my day program. When we know, someone will show me on this calendar.

I can return to my day program on this date: _____

Month of _____

<i>Sunday</i>	<i>Monday</i>	<i>Tuesday</i>	<i>Wednesday</i>	<i>Thursday</i>	<i>Friday</i>	<i>Saturday</i>

Knowing that my day program is closed right now,
might make me feel different emotions.

It is *okay* to feel this way.

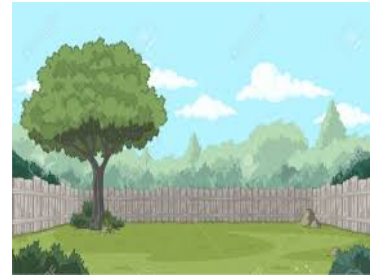

These are some activities I can do at home.

Computer

Call a Friend

Visit Backyard

Listen to Music

Cook

Play a Game

Read a Book

I have people in my life who are here to support me.

If I have questions or need support I can talk to them.
