

PRAYER GUIDE

MARCH 2022

Do your best to present yourself to God as one approved, a worker who has no need to be ashamed, rightly handling the word of truth.

(2 Timothy 2:15 ESV)

February 27–March 5

Who can come, who is missing?

"suppose a woman has ten silver coins and loses one. Doesn't she light a lamp, sweep the house and search carefully until she finds it?" (Jesus ~Luke 15:8 NIV)

As restrictions lift, how do we ensure that virtual options remain for those who need them, and in-person spaces work to remove barriers for people to join safely? Jesus seeks out those who have been excluded.

Prayer Points

- Christian Horizons' employee perseverance has allowed us to continue to serve people with disabilities through the pandemic. Pray for strength, peace and joy for each employee and ask God to bring new team members to our workforce.
- On behalf of Christian Horizons Global, pray for Ethiopia as drought, conflict, and the pandemic continue to cause economic hardship amongst vulnerable people there.

March 6–12

"After his suffering and death, [Jesus] appeared to [the disciples]. In many ways he proved that he was alive. ...During that time he spoke about God's kingdom."

(Acts 1:3 NIRV)

Jesus' death and resurrection demonstrate his openness and desire to reconcile God with humanity. His willingness to let others see and touch his wounds is an example of openness that we would do well to follow.

Prayer Points

- There are many people on the provincial waitlist longing to access services. Pray for their safety while they wait and wisdom and creativity for developmental service agencies to use resources to the best possible outcomes for all involved.
- Pray for a Christian Horizons Global coordinator in Haiti who has recently been diagnosed with tuberculosis. Pray for their strength and healing.

"...[Jesus] hears us whenever we ask for anything that pleases him. And since we know he hears us when we make our requests, we also know that he will give us what we ask for." (1 John 5:14-15 NLT)

Jesus calls us "friends" and shares his mission with us through his Word and Holy Spirit. He invites everyone to be open with him through prayer, transforming us in the process.

Prayer Points

- The North District is thankful for the people they've met and the conversations they've had regarding the Affordable Housing project in North Bay. Pray for God to continue to bless the partnerships that are forming.
- Pray for disability advocacy training and awareness programs in Uganda. May this help overcome the stigma associated with disability. May people see the God-given gifts of each person.

March 20-26

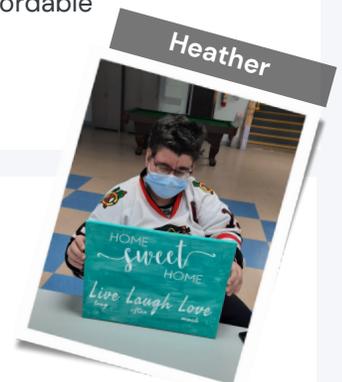

"...Confess your sins to one another. Pray for one another so that you might be healed. The prayer of a godly person is powerful. Things happen because of it."

(James 5:16 NIRV)

Jesus showed us how to be open with him by being open with us. Being open with others allows them to pray for us, to support and encourage us through the Holy Spirit.

Prayer Points

- Pray for communities in Guatemala that are still isolated to protect against COVID. Pray that needed supplies can continue to be delivered by Christian Horizons Global partners there.
- North District asks for prayer for a positive outcome to the Canadian Mortgage and Housing Corporation applications and the Federation of Canadian Municipalities for funding support for the Affordable Housing project.
